ISBS = International Society for Bioengineering and the Skin (1976 - 2006)

ISUS = International Society for Ultrasound and the Skin (1990 - 1993)

ISSI = International Society for Skin Imaging (1993 - 2006)

ISDIS = International Society for Digital Imaging of the Skin

In 1993 ISUS was renamed ISSI.

In 2006 ISBS and ISSI were fused and renamed:
International Society for Biophysics and Imaging of the Skin (since 2006)
The old acronym "ISBS" was kept.
